Diana felt the stick on her back and shoulders covered with suction-cups and a warm throbbing went through her whole body, making her nipples ache with heat. "Please, please, not me," she couldn't help from saying, "and my cunt and my big pussy." Roberto was all too happy to oblige. She pushed the swollen latex and made a path through her cunt hairs to her pink trembling hole. Diana's vagina was wide open, waiting for her husband's entry and her old man tried and pushed and crested.
